### **Procedures Related to Non-Academic Misconduct Incidents and Complaints**

1. When a member of the University/School community has knowledge of or suspects that a student has committed an offense under the Student Non-Academic Conduct policy, an Incident Complaint Form (for student use) or Misconduct Complaint Form (for non-student use) (obtained through the Office of Student Rights and Responsibilities) will be completed and submitted along with all relevant documentation to the Office of Student Rights and Responsibilities (OSRR).
2. The OSRR will notify the student via email within two (2) business days that an

Incident Report has been received, inform the student of the nature of the alleged offence, and of the range of potential penalties that might be imposed or recommended after an objective investigation and determination, based on the balance of probability. In cases where a finding of fault is determined the OSRR may first attempt to resolve the matter by mutual agreement and/or mediation.

If mutual agreement and/or mediation are not possible or fail to resolve the matter, additional actions or sanctions may be recommended to resolve the issue.

In cases where a finding of fault is determined upon investigation the OSRR will inform the student of their rights to challenge the allegation and to appeal decisions. The student will be invited to comment on the incident and provide any additional relevant documents and arguments concerning the incident. The student must submit such comments, documents, and arguments to the OSRR within two (2) business days.

In case of an immediate and critical emergency any member of the University/School community should call 911.

When the OSRR, having completed an assessment of risk, in consultation with relevant campus leaders have reasonable grounds to believe an incident of alleged student misconduct implies an ongoing threat to the safety of any person or property, the Student Liaison, may recommend to the relevant campus leader that the student be temporarily suspended from study and be barred from access to campus and online resources pending the outcome of an investigation for a maximum of 14 days. This temporary suspension may be extended to a maximum of 90 days with the approval of the OSRR Manager and/or the VP responsible for the OSRR.
